Dear

## Dake Foundation for Children 2019 Stationary Bike Race November 2nd, 2019

The Dake Foundation for Children is a not-for-profit organization in Saratoga Springs, New York that provides grants to local children with disabilities who live within a 80-mile radius of Saratoga Springs, for equipment and services to help promote their independence and participation with their peers.

The Foundation started an annual stationary bike race in 2008 to raise funds to purchase adaptive equipment for local children. We typically grant over **\$30,000.00** each year in adaptive bicycles to local children with disabilities.

Your support of this annual fundraiser will help us in our mission to **give every child a chance to feel the wind in their face as they ride their bike along with friends and family** - something many children with disabilities would not otherwise get - as adaptive bicycles can cost up to \$5,000.00

The 2019 Stationary Bike Race will be held on **November 2nd** at the **Saratoga Regional YCMA** from 9:00 AM – 11:00 AM.
