SPONSORSHIP INFORMATION

ABOUT THE FOUNDATION

The Dake Foundation for Children is a 501(c)3 nonprofit organization that was founded to provide children with disabilities the tools they need to become as independent as possible, while maximizing fun. Located in Saratoga Springs, NY, the organization works to remove barriers for children with physical disabilities who live within an 80-mile radius. By providing adaptive equipment and financial assistance for services, the Dake Foundation helps to promote independence and participation with peers, and the fun childhood that every young person deserves.

ABOUT THE EVENT

The Dake Foundation typically grants over **\$70,000.00** of support each year to local children with disabilities. When the COVID-19 pandemic changed the pace of business for every industry, the Foundation had to find new ways to raise funds for the families that need their life-changing support.

Thus, in 2020, the Golf For Fun Tournament was born. It was and remains a safe, outdoor activity, and was such an immediate success that the Foundation has decided to make it a permanent staple in its fundraising portfolio. The event is expected to sell out this year, and the signage and recognition for sponsors will be seen by like-minded locals, with the shared desire to support local families helping their children to navigate physical obstacles.

Sponsors will be recognized via printed promotional materials, event signage, on-course displays, and website/social media posts (may vary based on level of sponsorship). Web traffic and social media audiences continue to grow – and we can't wait to share our gratitude for your support with them!
